

ATTACHMENT A-3-1

**Form Of Service Agreement For
Long-Term Firm High-Voltage Direct Current Service**

- 1.0 This Service Agreement, dated as of _____, is entered into, by and between MISO and _____ (“Transmission Customer”).
- 2.0 The Transmission Customer has been determined by MISO to have a Completed Application for Long-Term HVDC Service under the Tariff, to be a Transmission Customer under the Long-Term Firm HVDC Service provisions of the Tariff and MISO agrees to provide service upon the request by an authorized representative of the Transmission Customer.
- 3.0 The Transmission Customer agrees to supply information MISO deems reasonably necessary in accordance with Good Utility Practice in order to provide the requested service, to provide a Transaction Specification Sheet for each requested transaction in accordance with Exhibit 1 and agrees to take and pay for the requested service in accordance with the provisions of the Tariff and this Service Agreement.
- 4.0 Service under this Service Agreement for a transaction shall commence on the later of (1) the requested service commencement date, or (2) the date on which construction of any

Direct Assignment Facilities and/or HVDC Upgrades are completed, or (3) such other date as it is permitted to become effective by the Commission. Service under this agreement shall terminate on such date as mutually agreed upon by the Parties.

- 5.0 Any notice or request made to or by either Party regarding this Service Agreement shall be made to the representative of the other Party as indicated below:

	MISO	Transmission Customer
Title:	Contract Administrator	_____
Address:	701 City Center Drive	_____
	Carmel, IN 46032	_____

- 6.0 The Tariff and Transaction Specification Sheet are incorporated herein and made a part thereof.
- 7.0 If the HVDC Service subject to this Service Agreement is being offered under an Agency Agreement, then MISO is executing this Service Agreement as agent for the relevant Transmission Owner. In the event that the relevant Agency Agreement terminates, the Transmission Provider will make a filing under section 205 of the Federal Power Act requesting that any HVDC Service offered by MISO under this Service Agreement be provided by the relevant Transmission Owner, and MISO be released from any obligations and responsibilities under this Service Agreement upon such reversion to the Transmission Owner.

IN WITNESS WHEREOF, the Parties have caused this Service Agreement to be executed by
their respective authorized officials.
