

ATTACHMENT Y-2

Request for Non-Binding Study Regarding Potential SSR Status

This is a request that the Transmission Provider conduct a non-binding study of the reliability impacts related to a potential change of status of a portion or all of either a Generation Resource or a Synchronous Condenser Unit ("SCU"). An electronic copy of the completed form will be accepted by the Transmission Provider, however, the study application will not be considered complete until the original form containing an original signature, including all attachments, and the study deposit funds are received by the Transmission Provider at the following address:

MISO

Attention: Director of Transmission Expansion Planning

720 City Center Drive

Carmel, IN 46032.

Name of Market Participant owning and/or operating the Generation Resource or SCU

Type of interest in Generation Resource: ☐ Owner of Generation Resource

☐ Operator of Generation Resource

Name of Market Participant owning and/or operating the Synchronous Condenser Unit ("SCU")

Type of interest in SCU: ☐ Owner of SCU

☐ Operator of SCU

Market Participant's state of organization or incorporation

Generation Resource/SCU [plant name(s), unit number(s), and unit's maximum net output]

Market Participant is considering whether to make unavailable a Generation Resource/SCU, and hereby requests a study at Market Participant's expense to determine the impact of removing the Generation Resource/SCU from service, as specified below.

The start date for the potential removal from service is the ____ day of _____, _____.

Additional operational limits to be considered in the evaluation are described below:

The Transmission Provider may request additional information as reasonably necessary to conduct the subject study. If the Market Participant does not provide all of the information requested by the Transmission Provider in a timely manner, then the Transmission Provider may be unable to complete the study within 75 days and will so advise the Market Participant.

A Market Participant will have the right to rescind the request for an informational study by notifying the Transmission Provider prior to its completion of the informational study. In the event of a rescission of an informational study request, the Market Participant shall remain liable for all expenses incurred by the Transmission Provider in conducting the study up until notice of rescission, however the Transmission Provider shall not release the results to the Market

Participant. This request for a non-binding study is not intended to constitute an offer to enter into a binding SSR Agreement pursuant to Section 38.2.7 of the Tariff, but is intended only as a request for a non-binding study of the transmission reliability impacts of a potential future status change of the Generation Resource/SCU.

The Market Participant is enclosing a study deposit of \$70,000 made payable to the Transmission Provider, as partial payment for the study's costs and expenses. The Transmission Provider shall invoice the Market Participant for all costs and expenses reasonably incurred in excess of the deposit amount, or shall refund any remaining portion of such deposit, upon completion of the study. The Market Participant agrees to pay all such invoices.

The Transmission Provider shall use Reasonable Efforts to complete the evaluation no later than seventy-five (75) Calendar Days from the date of receipt of the deposit and completed Attachment Y-2 for the study request. The Market Participant agrees that: (1) the results of such study will only provide the Market Participant with a probability of the outcome if the Market Participant later elects to submit an Attachment Y form under the terms of Section 38.2.7 of the tariff; (2) such study results will not necessarily be binding upon the Transmission Provider if an Attachment Y notification is later made, except as provided for under Section 38.2.7(p) of the Tariff; and (3) the study is being made to explore options and does not mean that the Market Participant has made any decisions about the future status of the facility.

The undersigned certifies that I am an officer of the Market Participant that owns or operates the subject Generation Resource/SCU, that I am authorized to execute and submit this study request on behalf of subject Generation Resource/SCU, and that the statements contained herein are true and correct.
